Old Business: Booster Club budget to be approved for 2006-2007.

New Business:

1. From Vicky Grant: a proposal to adopt guidelines for school-sponsored organizations that may want funding from the Booster Club.
2. From Peter Daddone, Rockville Rampage. In case he's not there, he wrote:
"We were wondering if the Boosters would like to do the food running again this year. If so, can we put in for a game? We were also wondering if during the first home game we could place some flyers at the concession area advertising our community yard sale on Saturday September 16 and get a few announcements during the game? Lastly, we are doing a new program for school community advertising this year that the Boosters might be interested in. If you are a club or organization, you can pay one price and insert ads in the newspaper the entire year. The rates are as follows: Quarter page: \$300. Half page \$550. Significant savings for the RHS community on both prices. Quarter page ads bump up to I think \$65 per issue for seven issues and a half page will be \$110 for seven issues. This also includes a free eighth issue in our annual Lampage final newspaper."
