

Rockville High School Booster Club Meeting
August 6, 2008

ATTENDANCE: Sheila Carmines, Pam Angelis, Ann English, Jeff Carmines, Mark Kitsoulis, Eileen Boyd, Richard Nichols, Donna Nichols, Susan Weinstein, Stan Thomas, Pauline Lamberg

MEMBERSHIP – Donna Nichols

A list of stores in neighboring shopping centers was developed and volunteers are needed to call on the merchants for corporate memberships. If they are not interested in becoming corporate members we would also take donations. For businesses that are parts of a chain (Quizno's Pizza Hut, etc.) we would like to request fundraiser nights.

Donna also created a list of the executives with updated information and will be sent out to the executive committee.

Membership forms will be available at Back to School night and 9th grade orientation

Sheila Carmines will be attending "Meet the Coaches" night and will hand out booster club membership forms.

Jeff Carmines discussed corporate sponsorship with Darcars. Darcars provides "giveaways" in return for placing a car at the games. However, they work through a marketing company and their donation is the giveaways. Jeff would like to work directly with Darcars next year to provide a cash donation instead of giveaways.

Donna will provide a list of corporate sponsorships to Jeff and he will follow-up and possibly contact additional corporate sponsors.

CONCESSIONS AND SPIRIT WEAR – Susan Weinstein

The outdoor snack bar is just about ready to go. The cooler is working well, however the alarm needs to be put on the wall. Susan was going to Sam Club to complete the process for a Sam's credit card and will contact Lennie to cancel the old card.

Susan is investigating using Coke instead of Century, since they will deliver for free on orders over \$700. If Coke is used, Susan will order in bulk and store the excess candy in the indoor snack bar.

Susan is looking at possibly 5 or 6 giveaways for the year – Back to School night, 1st game, homecoming, etc. Magnets will be ready for back to school night and will cost approximately \$100-\$200.

Current spirit wear stock is good. The question was raised if we should sell older material cheaper during back to school night and 9th grade orientation – no decision was made.

PTSA – Stan Thomas

PTSA officer positions filled except for secretary and volunteers for after school café. PTSA provided Dr. Munk with \$4,000 to keep graduation at Stathmore Hall.

MEDICAL EVALUATIONS – Pam Angelis
Everything ready for August 9th – just need kids to show up.

FORM – no report

PARENT REP – no report

TREASURER'S REPORT – Jeff Carmines for Steve Kubasik
Expenditures in July were \$1585 – for spirit wear and concessions. The Barbara Rossey fund is no longer in existence and the funds allocated will be allocated elsewhere.

Jeff led a discussion regarding community action and school improvements – where the athletes will give back to the community and the school through community service. Volunteers are needed to lead this effort. There was also a discussion regarding the Foundation, its purpose and how it will be incorporated into the Booster Club.
