Treasurer's report: Financial report reviewed and accepted.

AD Report: No report.

Membership: 135 members.....

9 @ Level I	
45 @ Level II	> \$608.00 in
76 family	the light fund.
5 corporate	

There was discussion about charter renewal of the 5 present corporate memberships at \$300.00 for next year. A new corporate membership would be \$500.00 and a midyear price was discussed. There was agreement that a midyear buy-in would not be beneficial. Vicki will take these suggestions back to the committee for review.

PTSA: No report

Dr. Munk offered the selling of snacks after school to the PTA for a fundraiser.

Concessions: Basketball season almost over. The spring sports start the week of March 21st. We will need to check with Pat Gamage to have the water turned on and then we can move everything outside.

Spirit Wear: No report.

Mulch Sale:

We will type on the form that there will be only 1 delivery spot at the front of the house. If more assistance is needed, the client will have to contact the booster club.

SSL- Cheryl spoke to Ms. Willing and there needs to be a reflection on the form for each student to get the SSL hours. We will have the SGA write a standard reflection for the form.

The next meeting is February 15th at 7pm at Lennie's house.

Banquet: is May 30th, Wednesday night. The pictures are done for the booklet. Karen will start calling for the ads.

The letters for the winter nominations for the Model Ram award are going out.

Parent Reps: Times are being set up for the Spring "meet the coaches night".

New Business:

A copy of the MCPS guidelines for Booster clubs was passed out and reviewed by the members.

Yearbook ad: Last years ad was shown and we decided to find out if we can add some color this year, since the book will have color. Please send any other comments or ideas via e-mail to Doug by Sunday.

Every 15 minutes: Terri brought up the request for \$400.00 more by Lynda Hitchcock, so that all the kids can participate. This request will have to go directly to Dr. Munk, since we have given her the allotted SBO money.

By-Laws: there was some discussion of the by-laws that Doug had on hand. It appeared that there was a more recent set. Donna suggested that we add the percentages of the money donated to the AD and to Dr. Munk for the SBOs. This will be discussed further at the Executive Board Meeting.

Meeting adjourned at 8:25pm.

Respectfully submitted by Lennie Melvin.
